

WOULD YOU BE WILLING TO RECYCLE?

A local office paper recycling company, Legacy Project, Inc., offers a comprehensive program to collect the waste paper generated in your office. 1515 & 1555 Poydras has an extensive White Paper recycling program, designed to be convenient and efficient. Small, personal-sized recycling containers are provided for each individual. Larger-sized containers are then placed in strategic locations, usually by copy machines. These larger containers are then picked up on a weekly basis by an employee of Legacy Recycling.

If you wish to participate, please complete the following, and return it to Brandy Miller with building management, Suite 1970, fax # 585-2674.

Company Name _____

Building _____ Suite _____
