## WOULD YOU BE WILLING TO RECYCLE?

A local office paper recycling company, Legacy Project, Inc., offers a comprehensive program to collect the waste paper, cardboard, aluminum cans and plastics generated in your office. 1515 & 1555 Poydras now offers all of these recycling options, designed to be convenient and efficient. Small, personal-sized paper recycling containers are provided for each individual. Larger-sized paper containers are then placed in strategic locations, usually by copy machines. A large plastics & aluminum recycle containers are placed in break rooms. These containers are then picked up on a bi-weekly basis by an employee of Legacy Recycling.

For cardboard recycling, please break down your boxes and place them out of the way marked trash and it will be picked up nightly by Empire Janitorial's night staff.

If you wish to participate in any of these programs, please complete the following and return it to the JLL Building Management Tenant Services Representative, Suite 105, fax # 585-2674.
